## Big Red Basketball

After a promising sophomore season the boys who are now seniors failed to make the steep grade. They had a difficult road and finished with a season's record of 8-11. In conference play the boys were 3-7. However, this record could easily have been reversed. They lost 6 games by a total of 13 points. Maybe it was not a winning season but it was successful, exciting, and enjoyable for everyone.

#### Season's Record

This was without a doubt a fine season for the girls golf squad. They compiled a season's record of 11 wins against 8 losses. Their competition included last years state champions, Knoxville. The girls also lowered the school record for 9 holes played away from home. This score, set by Barbara Beck, Cathy Stepnoski, Sandra Kadel and Rosemary McConnell was 205. Coach Parish has high hopes for next year's squad, as he loses very few players.

## Class Officers and Sponsors

Seniors and they can't read? Top to Bottom: John Rice, Secretary; Wade Clark, Vice-President; Tom McKinley, Treasurer; Sam Knowles, President.

How did you ever put up with us for four years? Left to Right: Mr. Juel, Mr. Roberts, Mr. Parrish, Mr. Curtis, Mrs. Price, Mrs. Simons, Mrs. Mitchell.

The Outstanding Class of 1965

A picture to be treasured forever. On May 28 we shall take our final walk down the halls of Centerville High where we have experienced together so much in the past four years and doubt that we ever gather together like this again. The best of luck to everyone.

## Seniors

Mixed up? Everyone is looking in a different direction.

at

And just think, someday they will be running our government.

## Work

Hey! Aren't you two supposed to be studying like the rest?

"Is that the highest you can go, Bruce?"

Just turn it over.

"Aren't you glad you bought your yearbook now?"

Mrs. Mitchell and Mr. VanZante judge at pep assembly.

All are so eager to go to school?
